ATTENTION: HIGH SCHOOL SENIORS

Graduating high school seniors who meet income qualifications and have a minimum GPA of 2.0 are guaranteed financial assistance through the Cal Grant program. These grants do not need to be repaid and may be used for tuition, fees, books and access costs at public or private two-year and four-year colleges and universities.

APPLY TODAY!

If you are not sure whether you meet financial-need requirements, apply anyway. The California Student Aid Commission periodically raises the income ceilings depending on the budget, and changes occur that can alter a family's situation. So, APPLY ANYWAY. You will not qualify if you do not apply. For information on income qualifications*, visit the California Student Aid Commission's website at www.calgrants.org.

**The California Student Aid Commission provides guidelines to determine whether you are eligible for financial aid; it is not the final determination of your financial need.*
