

Vital city services in Santa Ana have suffered as a result of the Great Recession. Public safety has been cut, youth and after-school programs have been reduced, and our homeless problem is getting worse. As budget reductions continue to take their toll, our police department has fewer officers and fire department and emergency response times have been compromised.

It's time to restore public safety and vital services for Santa Ana. Measure ___ will provide the funding needed for essential public safety services while helping us take care of the basics – like repairing streets and maintaining youth services. It will prevent further cuts to police protection, paramedic services and programs that fight gangs and drugs.

The homeless problem is getting worse, having reached excessive levels in Santa Ana, hurting local businesses, public safety, and our quality of life. Measure ___ will help get people off the streets and into programs and housing, working to end the cycle of homelessness.

Santa Ana is a great place to live and raise a family. We cannot afford to keep cutting vital services. It's time to protect our future. Measure ___ will provide the resources to take care of the essential city services like street repairs, libraries, parks, youth services.

Measure ___ includes tough accountability, requiring annual independent financial audits and citizen review of expenditures. It ensures that all funds remain in the City of Santa Ana and cannot be taken away by Sacramento. These strong fiscal safeguards will ensure funds are used efficiently, effectively and for the benefit of Santa Ana.
