## CITIZENS ASSISTANCE PROGRAM

# S A F C A P

Dear Citizens of Santa Ana,

As the Fire Chief of Santa Ana, I would like to express my feelings of sympathy and concern to you and your family in your time of need. We, the men and women of the Santa Ana Fire Department truly empathize with your situation. Although our time together may only be a matter of minutes, we want you to know that we really do care. We are sincerely concerned with what happens to you in the future. I am providing a list of phone numbers of people that are willing to help you in many different ways. If none of the services fit your needs, please call the Fire Department and we will assist you further.

Sincerely,

Phillip Garcia, Fire Chief
