

SANTA ANA ENERGY EFFICIENCY PARTNERSHIP

Your best resource to save energy, money, and the environment

THE APPLIANCE RECYCLING PROGRAM

One way to save energy, money & the environment

The Santa Ana Energy Efficiency Partnership is a collaboration between Southern California Edison (SCE) and the City of Santa Ana. Together, we are providing real solutions by helping you find ways to be energy efficient in your home, school and business.

Refrigerator/Freezer Exchange

HOW YOU QUALIFY:

- Be an SCE Residential or Business Customer
- Have the appliance at your SCE address
- The appliance must work (cool) and be 10-27 cubic feet

HOW THE PROGRAM WORKS:

- We take your appliance to a recycling center free
- You receive a **\$50** check when you participate & you save up to \$292 every year on your energy bill

HOW EASY!

To schedule your **FREE** pick-up, simply call **1-800-234-9722**

Monday-Friday, 7 a.m. - 6 p.m.,

Saturday, 7 a.m. - 3:30 p.m.

or go to www.sce.com/pickup.

ESTIMATED ANNUAL ENERGY COST SAVINGS

Estimated savings for replacing an existing unit with a new ENERGY STAR® unit at annual energy cost of \$97 per year.

Estimated savings for disposing of a spare, old inefficient unit.

\$195

\$292

Call 1-800-234-9722 or visit: www.sce.com/pickup to schedule a free pick-up of your inefficient, working refrigerator/freezer.

Savings estimates based on 2006 rates. Limit of two refrigerators or freezers per household per year. Program lasts until December 31, 2008 or until funding ends. Program is funded by California utility customers and administered by SCE under the auspices of the California Public Utilities Commission. Program is subject to change without notice. 2008 Southern California Edison. All rights reserved.
