FAIRVIEW STREET IMPROVEMENTS (9TH STREET TO 16TH STREET INCLUDING FAIRVIEW STREET BRIDGE REPLACEMENT) CITY OF SANTA ANA

Notice of Availability - Preliminary De Minimis 4F Findings

<p>WHAT IS BEING PLANNED?</p>	<p>The City of Santa Ana, in conjunction with Caltrans District 12, proposes to widen Fairview Street between 9th Street and 16th Street, including replacing the Fairview Street bridge crossing over the Santa Ana River (proposed Project) in Santa Ana, California. The purpose of the Project is to reduce congestion and improve pedestrian and bicyclist safety on Fairview Street between 9th Street and 16th Street, and be consistent with the Orange County Master Plan of Arterial Highways and the City’s General Plan Circulation Element. The proposed Project would widen Fairview Street from two lanes in each direction to three lanes in each direction. Fairview Street bridge would be replaced with a new six-lane bridge (three lanes in each direction), including a complete bridge deck with barrier rails, sidewalks, bicycle lanes, raised median, and lighting.</p>
<p>WHY THIS AD?</p>	<p>The purpose of this De Minimis 4F Memorandum is to document potential Section 4(f) Resources impacts of the proposed Project. Section 4(f) of the federal Department of Transportation Act of 1966 (49 USC §303), declares that “it is the policy of the United States government that special effort should be made to preserve the natural beauty of the countryside and public park and recreation lands, wildlife and waterfowl refuges, and historic sites”</p>
